JOSHUA CH.6

1220AD

JERICHO

A close-up portrait of actor Liam Neeson, looking intensely at the camera. He has a serious, determined expression. His face is covered in snow, and there is a visible blood smudge on his right cheek. He is wearing a grey, textured jacket. The background is dark and filled with falling snow.

- ◉ 3 March around the city once with all the armed men. Do this for six days.
- ◉ 4 Have seven priests carry trumpets of rams' horns in front of the ark. On the seventh day, march around the city seven times, with the priests blowing the trumpets.
- ◉ 5 When you hear them sound a long blast on the trumpets, have the whole army give a loud shout; then the wall of the city will collapse and the army will go up, everyone straight in.”
