

A person's feet, wearing dark pants and no shoes, are walking on a sandy path. The sand is dark brown and has several footprints. The word "HEALING" is written in large, white, serif capital letters across the middle of the image, with a reflection effect below it. The background is a textured, brownish surface with some decorative, swirling patterns in the corners.

HEALING

ENLARGED TO SHOW TEXTURE

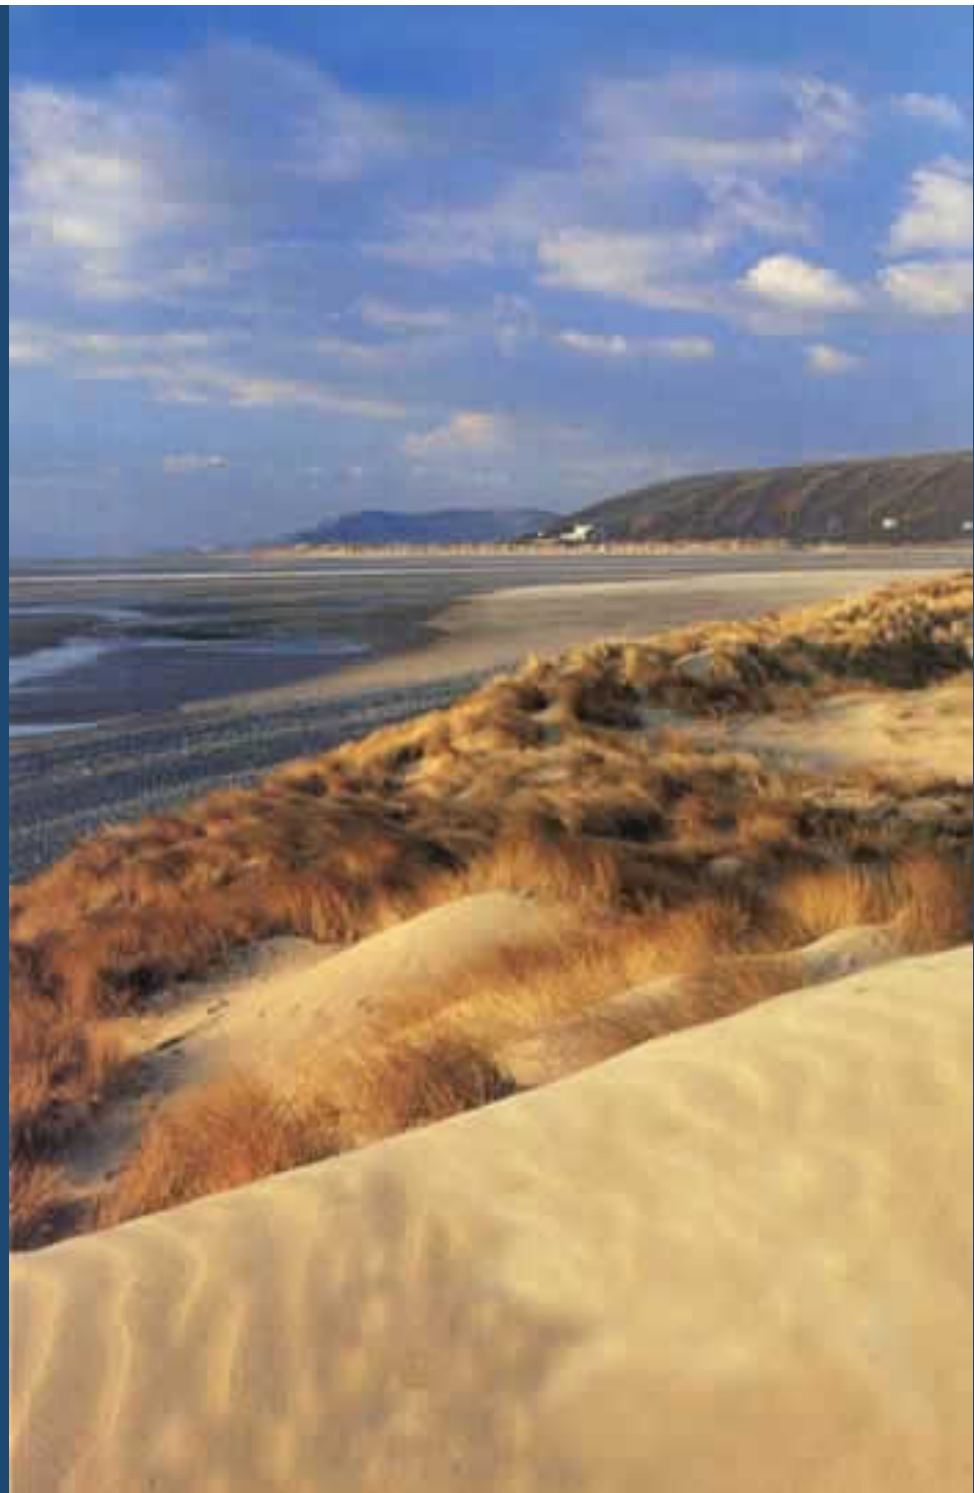

Matthew 9.

Jesus said: Which is easier?

to say “your sins are forgiven,”

or to say,

“Get up and walk” ?
